We are looking for a Senior General Programmer (f/m/d) to be the main point of contact for the technical design and technical architecture of our game as well as single features. This also includes mentoring and reviewing the work of team members to ensure the best code quality and continuous development of the team skills.

This is a full-time position based in Düsseldorf, Germany which requires working onsite.

- 7+ years of development experience and shipped at least two AAA titles
- A passion for VR; Experience in VR is a bonus
- Master, Bachelor or equivalent in computer science or engineering (desirable)
- Strong programming skills in C#
- Strong experience with Unity
- Proficient in refactoring and optimizing existing systems
- Excellent debugging and problem solving skills
- Understanding of multi-threaded principles
- Ability to work efficiently with a large, existing code base
- Knowledge of low level system architecture
- Knowledge of software development environments and associated tools. (i.e. Visual Studio, Perforce, JIRA)
- Strong reporting and documentation skills
- Fluent in English, both verbally and written
- Great communication skills and a positive attitude

## Responsibilities:

- Be the main point of contact for the technical design and technical architecture of the game and single features
- Mentor and regularly the work of the team members to ensure a top-notch code quality
- Design, implement, maintain and optimize game and engine systems in C#
- Identify risks and opportunities presented during the development and provide solutions to resolve potentially complex problems
- Assist the Lead Programmer with hiring and interview processes

## Your Benefits

- Relocation Support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance.
- 26 days paid vacation per year. Additionally, you will get half a day off on Christmas Eve and New Year's Eve and approximately 11 bank holidays in the NRW region.
- Flexible Working Hours: We have core working times between 10:00 AM – 04:00 PM and the distribution of the other hours is up to you.
- Company Pension Scheme. We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Up to 350€ childcare support per child per month. In addition, we also offer 5 'care for ill children days' per child per year.
- Discounted Games. We regularly order Ubisoft Games for super cheap prices for our employees.
- Gym Subsidy. We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Lunch & Breakfast Service. Enjoy fresh discounted meals each day.
- Monthly Mobility Budget. 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket.
- Our Ubisoft Blue Byte Academy offers multiple opportunities for you to discover your full potential and develop yourself in various areas.
- English and German classes for free. Main language in the studio is English.
- Free fresh Fruit, Coffee, Tea and Water. Enjoy fresh fruit and beverages in our office.

We offer a highly interesting challenge for a team player including the possibility to show personal initiative. If you are passionate about video games and VR and would like to work with like-minded professionals in an international team, please apply via our career portal.

The application must include your resume, portfolio, and a cover letter detailing your earliest starting date, salary expectations and motivation
