We are looking for a Network Programmer (f/m/d) who is responsible for developing multiplayer core features and game services using existing online infrastructure. The development will be the foundation for the multiplayer game to allow other developers and content creators to create an amazing online experience

This is a full-time position based in Düsseldorf, Germany which requires working onsite.

Further responsibilities include:

- Develop and maintain the game network core loop in a team.
 - Develop and connect existing online services e.g. matchmaking
 - Review code of peers and develop a solid code base
 - Manage the interchange of data between players and the server/services/game
 - Provide access to the online architecture to presentational programmers
 - Assist in the development of innovative solutions to enrich the online gaming experience of players
 - Program and optimize systems, such as game object replication and network synchronization
 - Work with precision and care on our live systems and frameworks
 - Work on identifying and improving existing systems and identify new opportunities
-
- Bachelor or Master degree in computer science or any other relevant qualification with a strong technical background
 - Strong C# skills
 - Strong Multithreading debugging skills
 - Strong Unity knowledge
 - Fluent in English, both verbally and written
 - Be a team player and a positive attitude

PLUS

- Deep understanding of game production
- Cloud Provider & Docker experience
- Knowledge in R-UDP implementation
- Unity ECS
- Strong secondary programming language (e.g. C++, Python, Java)
- Expertise in online test framework and architecture
- Proven leadership and coaching skills is a plus
- Great communication skills

Your Benefits

- Relocation Support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance.
- 26 days paid vacation per year. Additionally, you will get half a day off on Christmas Eve and New Year's Eve and approximately 11 bank holidays in the NRW region.
- Flexible Working Hours: We have core working times between 10:00 AM – 04:00 PM and the distribution of the other hours is up to you.
- Opportunities for growth on your desired career path: Leadership training, workshops, guest speakers from the industry, online Ubisoft learning platform, coaches, Experts and library.
- Company Pension Scheme. We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Up to 350€ childcare support per child per month. In addition, we also offer 5 'care for ill children days' per child per year.
- Discounted Games. We regularly order Ubisoft Games for super cheap prices for our employees.
- Gym Subsidy. We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Lunch & Breakfast Service. Enjoy fresh discounted meals each day.
- Monthly Mobility Budget. 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket.
- English and German classes for free. Main language in the studio is English.
- Free fresh Fruit, Coffee, Tea and Water. Enjoy fresh fruit and beverages in our office.

We offer a highly interesting challenge for a team player including the possibility to show personal initiative. If you are passionate about video games and VR and would like to work with like-minded professionals in an international team, please apply via our career portal.

The application must include your resume, portfolio, and a cover letter detailing your earliest starting date, salary expectations and motivation
