- An eye for efficiency, you'll be motivated in setting up and maintaining character production pipelines
- With great communication skills, you'll collaborate with the Art Director and Lead Artist to work within the visual style of the game
- A master of your craft, you'll balance quality and efficiency of work to gain the best possible results within in the given time frame and technical constraints
- You'll enjoy working with a passionate and sociable team of creators, connecting with your team mates to build strong relationships

A minimum of 5 years' experience as a character artist in game development, with at least one AAA title shipped and examples of realistic style 3D character models.

- Exceptional understanding of next gen asset creation workflows with the ability to improve them; understanding of high to low poly asset creation
- Very good skills in Zbrush, at least one of the major 3D modeling packages (Maya, 3DS Max) and Photoshop.
- Strong sculpting, texturing and painting skills
- Ability to create highly realistic characters
- Very good working knowledge with at least one AAA game engine
- Being used to work on tasks autonomously and to deliver results in time
- Fluent in English, both verbally and written (No German language skills required)

BONUS

- Knowledge of Substance Designer / Painter
- Knowledge of Unity Pipelines
- Knowledge of Marvelous Designer
- Having worked with scanned data
- Good Animation and/or riggings skills are a plus (Maya, 3DS Max, MotionBuilder)
- Experience with outsourcing and co-development

PORTFOLIO

It is required that you submit a portfolio of your work with your application. You may do so by providing a link to an online portfolio (preferred), or attaching documents to your resume.

All portfolios must contain a detailed shot breakdown of the work. It must be very clear what you, the applicant, are responsible for in your reel, portfolio, screenshots etc.

The portfolio should contain the following:

- Examples of realistic characters
- Examples of high quality materials and textures
- Show both organic and hard surface works
