Beyond Good And Evil 2 is an action-adventure sci-fi RPG set in the same universe as Ubisoft's original cult classic. You can now join our crew at Ubisoft Mainz to help us shape this amazing project.

As a UI Programmer on our team, you will support UI Designers and other UI Programmers with the implementation and improvement of technology that they need. You will be working on the integration of our in-house UI Tech with our Game Engine for a AAA game.

Depending on the needs, you will also implement visual Designs related to in-game menus. You will implement and integrate the Features that will empower our UI Team to deliver their vision of the UI. You will collaborate closely with an interdisciplinary Team. You should be passionate about UI, Video Games and confident in writing C++.

## What you will do:

- Create and update UI components to meet the intent of the game's design and flow
- Use your expertise to help colleagues make informed choices about the UI
- Create layouts for UI Artists and Designers to work in
- Debug and profile code on multiple platforms
- Document your work

## What you bring:

- An undergraduate degree in Computer Science, Computer Engineering, or equivalent
- Proficiency in C++
- Previous professional experience, in the capacity of a UI Programmer role
- Good understanding of UX/UI design principles and ability to think user centric
- A thorough grasp of multithreaded programming techniques
- Solid interpersonal and presentation skills & the ability to clearly communicate cross-departmentally
- A long-term approach to problem-solving (if the solution isn't sustainable, it simply won't do)
- A collaborative and innovative spirit

- Willingness to continue learning – new technologies, engines, rendering techniques, programming languages, you name it

#### What to send our way:

- Your CV, highlighting your education, experience, and skills
- A cover letter including your earliest starting date, expected salary and why you would like to join us
- Any relevant code/work samples you can provide are highly appreciated

#### Your benefits:

- Relocation Support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance.
- 26 days paid vacation per year. Additionally, you will get half a day off on Christmas Eve and New Year's Eve and approximately 11 bank holidays in the Mainz region.
- Flexible Working Hours: We have core working times between 10:00 AM – 04:00 PM and the distribution of the other hours is up to you.
- Opportunities for growth on your desired career path: Leadership training, workshops, guest speakers from the industry, online Ubisoft learning platform, coaches, Experts and library.
- Company Pension Scheme. We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Up to 350€ childcare support per child per month. In addition, we also offer 5 'care for ill children days' per child per year.
- Discounted Games. We regularly order Ubisoft Games for super cheap prices for our employees.
- Gym Subsidy. We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Monthly Mobility Budget. 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket.
- Our Ubisoft Blue Byte Academy offers multiple opportunities for you to discover your full potential and develop yourself in various areas.
- English and German classes for free. Main language in the studio is English.
- Free fresh Fruit, Coffee, Tea and Water. Enjoy fresh fruit and beverages in our office.

We offer a highly motivating challenge for team players interested in showing personal initiative in an innovative and international company. If you are passionate about video games and would like to join an industry leader - please apply via our career portal.
