Avatar: Frontiers of Pandora

As part of Avatar Frontiers of Pandora, you will play an instrumental role in bringing to life the beautiful and dangerous world of Pandora. This is a unique opportunity to keep growing your experience in games while working hand in hand with Disney's creative minds and James Cameron's production company, Lightstorm Entertainment.

Your Impact

- Identify, log, and maintain gameplay issues
  - Ad hoc and bug regression testing when applicable
  - Create test plans, coordinate and communicate their execution with external testers
  - Be the QC representative in a specialized development team and have a significant impact on reaching the team's objectives
  - Facilitate communication between QA and various development teams
  - Assure the fact that the product you are responsible for raises itself to the high internal and external standards of the company, by adhering to established criteria
- 
- Strong interpersonal, written, and verbal communication skills
  - Keen attention to detail and accuracy
  - Passion for video games and commitment to quality and sustainable software
  - Strong knowledge in the areas of gaming and hardware
  - Intermediate English or higher

As a plus:

- Experience with JIRA or other issue tracking systems;
- Knowledge of QA methodologies and terminology

What We Bring
