As a part of the production team, you will be responsible to deliver the new web experience of Ubisoft Connect, using a wide spectrum of technologies ranging from C# on the server to TypeScript, HTML and SCSS on the UI side.

You will join a multi-disciplinary team where everyone is willing to expand their knowledge and are encouraged to continue learning new things. The team is characterized by passion, comradery and the love for pc gaming. You will work in close collaboration with the other programmers, designers and testers with the opportunity to visit and work from collaborating studios.

Responsibilities:

- Write clear, modular and maintainable code.
- Participate in or lead feature task forces for technical design and implementation/improvement of new features.
- Testing, debugging, profiling and maintaining existing code, including the Ubisoft Connect back office self-service portal.
- Develop and maintain new web applications, using Vue.js for the client-side application and .NET server side.

You as a person:

We believe to succeed in this role you're a result focused person, who is passionate about developing platform software for games with millions of users. Furthermore, you believe in team ownership of what you craft and will be working with your colleagues to learn, share ideas and solve complex problems.

Longing to be part of a fun, creative and passionate workplace? We can offer you this and more in an open and friendly environment where you will work with some of the best craftsmen in the industry. Are you up for it? Come aboard for the ride!

- Excellent C#, JavaScript (TypeScript), CSS and HTML skills.

- 3+ years of professional programming experience.
- Bonus: Vue.js, ASP.NET Web API, .NET Core, AWS, ElasticSearch, Protocol Buffers, Continuous Integration.

Your benefits:

- Relocation and Visa Support
- 26 days paid vacation per year. Additionally, you will get half a day off on Christmas Eve and New Year's Eve and 11 bank holidays
- Our Ubisoft Blue Byte Academy offers multiple opportunities for you to discover your full potential and develop yourself in various areas.
- Opportunities for growth on your desired career path: Leadership training, workshops, guest speakers from the industry, online Ubisoft learning platform, coaches, Experts and library.
- German classes for free. Main language in the studio is English.
- Company Pension Scheme
- Up to 350€ childcare support per child per month.
- Discounted Games and all games on Ubisoft Connect for PC
- Gym Subsidy. We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Monthly Mobility Budget. 80€
- All Legal residents of Germany are entitled to free public healthcare

We offer a highly motivating challenge for team players interested in showing personal initiative in an innovative and international company. If you are passionate about video games and would like to join an industry leader - please apply via our career portal.
